

Request for Reduction of MRI Fees

No reduction in MRI fees is possible for **contract research** (research commissioned by a private-sector or public-sector funder). Contract research is generally chargeable in full and subject to VAT.

Project title	
Short title	
Project leader/Supervisor	
Specialist clinic/Institute	
No. of measurements	

- Data collected internally Data collected externally Data not collected independently
 Initial analysis Re-analysis of data already published Meta analysis

Due to a lack of funds, only the following amount can be provided per MRI measurement for the above study (the amount will be divided equally between the BIF and the MRI scanner operator):

This amount comes from: Funding Institute funds

The following funding has been applied for: _____

Study affiliated with:

- RWTH Aachen University Hospital
 Other RWTH Aachen University faculties
 External study

No funds are available from the specialist clinic/institute to which the project is affiliated. A statement confirming that no institute funds are available is attached.

The funding notification (approval/rejection) is attached.

Request for Reduction of MRI Fees

I hereby confirm that I have read and understood the Operator and User Regulations and the Fee Regulation for Magnetic Resonance Imaging on RWTH Aachen University Faculty of Medicine Research Scanners and RWTH Aachen University Hospital (UKA) Research Scanners, agree to them and will comply with them.
