Welcome to the Brain Imaging Facility

The instructions below can help you get started.

I am a new user:

1. Request a BIF user account:
    - This account is used to access any computer connected to the BIF network.
    - Please fill out this form and hand it to any BIF employee: Account request form
    - Be sure to read our guidelines: User guidelines
2. Register with AgendoScience:
    - AgendoScience is the platform used to book BIF resources and sign up for our courses.
    - Instructions for users with an UKAachen account: Agendo with UKA account
    - Instructions for users without an UKAachen account: Agendo with external account
    - Request access to the Brain Imaging Facility: BIF access
    - Request access to the resources of your choice:
        - Example for courses: Course registration

I want to start a new (MRI) project:

1. Request a BIF project:
    - A BIF project directory lets you store any data related to your project (scripts, documents, data, etc.)
    - Fill out and submit this form: BIF project request
2. Present the study in the Neuroimaging colloquium.
    - In this colloquium you can receive feedback on your project from experts in various fields.
3. Obtain ethical approval for your study.
    - www.ethikpool.ukaachen.de
4. Submit an fMRI registration form to the specified contact persons:
    - fMRI registration form
5. Book a time-slot at the MRI scanner:
    - Note that the two available scanners have different booking procedures. You will be informed about the specifics of this when your project is created.

I have a question:

- Please mail any questions or feedback to bif@izkf.rwth-aachen.de
